

Human Resources Consulting & Contracting

Who we are

Cartec Consulting is an independent practice, since 2004 it has provided consulting and contracting services across a broad range of **human resource management, employee relations and work health and safety services** to organisations across a range of industry sectors. We work with our clients to develop strategic and operational solutions to manage the people related risks thereby enabling employees and the organisations to reach their potential.

Our Capability

A well-tuned and well led organisation places itself in the best possible position to compete and excel in the marketplace. The management of human resources and employee relations is integral to this success. It does not happen by chance or by accident. Cartec is a solutions driven consultancy. Our consultants are seasoned professionals who are able to provide a range of services covering the entire HR / ER employee lifecycle, including:
